Teacher Bio:

HOWDY! My name is Jessica Abrams. I graduated from Texas A&M with a Masters in Finance, BBA in Accounting. I met my hubby through St. Mary's there, and we have 4 kids. I taught Finance for 3 years at TAMU and worked in Financial Analysis too-lots of number crunching excitement, let me tell ya! This is our 7th year homeschooling. Our kids went to Northwoods for 3 years, and we then decided to homeschool our girls when our son went to Western Academy. We were a part of the IHM Co-op for 3 years where I taught 2nd/3rd graders through the Catholic Classic Memory program. We loved our first year at Holy Trinity this past school year! We are all huge history & geography fans and love learning about our incredible country! God bless the USA!
