

Holy Trinity

Where Faith Meets Education

Holy Trinity Course Description 2017-2018

Class Title:	Investigating God's World Through Science	Grade Level:	5-6
Curriculum:	Abeka		
Teacher:	Theresa Guidry	Contact Info:	theresantexas@yahoo.com

Course Description and Objectives:

Students will learn about nature, mammals, the earth, sea, and sky. We will have assigned homework and some occasional nature exploring to do for show and tell in class. Students will be required to finish classwork assignments at home. Weekly homework assignments will be checked for completeness. Periodic quizzes and tests will be given as well as semester grades. Please let me know if your child has any special needs. I look forward to spending the year educating your children and giving them a love of science and nature in God's world!!!

List any prerequisites or skills needed:

The ability to read and answer questions verbally and handwritten. Timed tests and quizzes will be given so that students will master this skill as well.

List books, textbooks needed for class:

Investigating God's World by Abeka Book

Investigating God's World Test booklet

Where books and textbooks can be purchased:

Amazon, Ebay, Half Price books, Homeschool Store

Holy Trinity

Where Faith Meets Education

Other supplies the student needs for class (sciences or special electives, please list any additional f

A folder with their name to store graded quizzes and tests, a three subject composition book, and a pen/pencil

Teacher Bio

My name is Theresa Guidry. I have been a homeschooling mother of 5 since 2000, when our oldest began Kindergarten. I have enjoyed teaching my own children as well as teaching other children at Holy Trinity previously through IEW Writing Classes and Cooking classes.

I have a Bachelor's Degree in Dietetics that I earned from The University of Southwestern La. in 1995. I enjoyed cooking, gardening, preserving fruits and vegetables, crafting, sewing, antiquing... and of course being a wife and mother.
